

## Michigan Hands & Voices

### *Our Mission:*

---

We are an organization dedicated to non-biased support to families who have children who are deaf

or hard of hearing. We will provide activities and information statewide to parents and professionals that may include outreach events, educational seminars, advocacy, parent-to-parent networking, and newsletters. We believe that families will make the best choices for their child if they have access to good information and support. Our organization represents people who use varying approaches to language(s), communication and assistive technology.

**Beginning January 2008, it is now required to pay a membership fee.**

Please continue to pledge your support by paying \$10 for a Parent Membership and \$20 for a Professional/other membership.

- We need your help to continue to serve Michigan families and offer valuable resources.
- Checks can be made payable to: Michigan Hands & Voices.
